incabamerica.com Incab Europe – an independent European enterprise US
manufacturing facility — the main production site Building partnerships with
European manufacturers Incab America is a relatively new player on the market, but
we have managed to prove ourselves as a highly competitive manufacturer here, in
the US. We've built our production site from scratch in Arlington, Texas, set the bar in
the industry for long-term reliable performance and now we are rapidly developing. I
strongly believe that Incab Europe. Business cannot be taught but only be learned
through experience. Incab Europe is not just another “kid on the block”, it is the
result of vast experience accumulated over many years of hard work of the entire
team. When we say that we are a fibre optic cable producer with a guaranteed
quality, we really mean it. And we deliver what we promise by. As a legal successor
of Emcab, Incab Europe takes on the supply experience and is committed to continue
delivering high-quality cables to existing and new customers.
