

High-end electrical boxes and distribution boxes

Overview

You also want reliability and cool new features. Here are six brands that are great in 2025: Schneider Electric uses smart technology for better control. DOHO Electric makes designs that save energy. Rockwell Automation gives strong digital. Choose power distribution boxes with at least a 50A inlet and multiple GFCI outlets for safety and versatility. Look for weatherproof designs rated IP66 or higher to handle outdoor conditions, and opt for durable materials like steel or PC+ABS. As a certified SDVOSB with 28+ years of experience, we carry every box type you need — correctly specified, fully documented, and ready to ship. From NEMA/IP-rated waterproof boxes to racks, cabinets, and general-purpose housings, our enclosures are engineered for performance, easy installation, and fast shipping—helping you build. E•Box has been manufacturing UL rated electrical enclosures for over 35 years. From prototype to mass production, we support OEM metal enclosure customization with drawings. Enhance safety and efficiency in every installation while ensuring optimal power.
